We're counting down to Number Day 2017!

Dear Parents,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Thursday 2nd February 2017**.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services like Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. The children will be learning through maths problem solving activities during the day.

On 2 February we will be taking part in ***Dress up for Digits*** and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or just a number cut out and stuck onto your own t-shirt!). To help raise money for the NSPCC, we are asking for children to bring in a donation for NSPCC to school on the day, and we'd love everyone in the school to take part in this special event.

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Alexander Hosea will make an enormous difference to children today and help change the lives of children tomorrow.

How you can get involved

You can get involved in Number Day too – why not join the Friends 100 Club by choosing a number which could win you cash prizes, whilst supporting our school's fundraising! The 100 Club is a way that **everyone** can help. By contributing only £12 a year, you will have a chance of winning a cash prize every 3 months. The bigger the club, the bigger the prizes and the more money the school raises.

For more information please contact Cat Lock friendsofahs100club@gmail.com.

Thank you.

Best wishes,

Mrs Heidi Brooks

Maths Subject Leader

On 2 February we will be taking part in ***Dress up for Digits*** and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or just a number cut out and stuck onto your own t-shirt!). To help raise money for the NSPCC, we are asking for children to bring in a donation for NSPCC to school on the day, and we'd love everyone in the school to take part in this special event.

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Alexander Hosea will make an enormous difference to children today and help change the lives of children tomorrow.

How you can get involved

You can get involved in Number Day too – why not join the Friends 100 Club by choosing a number which could win you cash prizes, whilst supporting our school's fundraising! The 100 Club is a way that **everyone** can help. By contributing only £12 a year, you will have a chance of winning a cash prize every 3 months. The bigger the club, the bigger the prizes and the more money the school raises.

For more information please contact Cat Lock friendsofahs100club@gmail.com.

Thank you.

Best wishes,

Mrs Heidi Brooks

We're counting down to Number Day 2017!

Dear Parents,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Thursday 2nd February 2017**.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services like Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. The children will be learning through maths problem solving activities during the day.

On 2 February we will be taking part in ***Dress up for Digits*** and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or just a number cut out and stuck onto your own t-shirt!). To help raise money for the NSPCC, we are asking for children to bring in a donation for NSPCC to school on the day, and we'd love everyone in the school to take part in this special event.
