7<sup>th</sup> October 2016

Dear Parents/Carers

Working together with our local Kumon Yate Study Centre, we will be hosting an information session for parents to find out more about the English and maths programmes available. Like us, Kumon puts a real focus on developing key study skills such as perseverance, self-belief and independence, which will benefit all children. Kumon also aims to nurture a love of reading, to help children of all abilities cultivate a deep understanding and realise their potential. Kumon complements what we are doing at school and is in line with many of the recent changes to the national curriculum and SATs. For parents who are able to attend, there will also be information about Kumon's Scholarship programme, which will be open to children of all abilities, to allow them to study Kumon free of charge for 24 months.

If you are interested in finding out more please could you let the school know that you intend to come to the information session on Monday 17<sup>th</sup> October at 5.00pm at Alexander Hosea School.

Yours sincerely

Ms V Quest  
Headteacher
