From the Headteacher

In the past fortnight we have:

- Been visited by Cordelia Cripps, who has been consulting with the digital leaders, staff and governors about developing the current ICT Suite into a more flexible space (possibly a STEM Lab) to suit the school ethos.
- Had marketing photos by Tulip Photography – these will be used for website and marketing documents.
- Started our draft plans for the new projects (to launch in January) and carried out peer critique in a staff meeting.
- Interviewed and appointed a new teacher for Jet Class – Mrs Ashdown (to cover Miss Pursey's maternity leave).
- Met with the Catering Working Party to follow up from parent questionnaires and pupil conferencing.
- Hosted a second open afternoon for prospective parents for Reception in September 2018.

There are many activities in the coming weeks, so please check the school calendar (follow link above).

#### Homework Grids

All KS2 children should have now received the new style homework grids.

We have changed the format for this in light of feedback from the Parent Council. We have also improved our internal systems for tracking the progression in expectations, so that all staff have the opportunity to peer critique and subject leaders can check progression in expectations is appropriate.

As explained on Mrs Moncrieff's letter on the subject, children are expected to do the Maths and English tasks and at least one task from one of the other curriculum groups (they can do more if they would like to).

We hope you like the new format.

#### Applying for a primary place for September 2018

WOOSC is a healthy, thriving childcare setting, used by over 50 local families, with up to 80 childcare places provided every day before and after school.

### Catering Working Party

The catering working party has been set up as a short term team to follow up on some comments that were brought to Parent Council. The team is made up of: 2 senior leaders; 2 representatives from Integra catering; a governor; 2 parents and 3 lunch break supervisors.

In our meeting today, we started to review the parent questionnaires (on survey monkey) and the comments from children at Pupil Council. We found that several aspects could be addressed through raising awareness about the service (e.g share how sourcing and use of organic foods, along with 75% home cooked meals contribute to the overall 'healthiness' of the menu on offer). Integra are preparing a FAQ for parents to respond to some of the questions that arose.

Our next meeting is on 12<sup>th</sup> January 2018. Focus: choice.

### Charities and fundraising

We are approached by charities all the time and try to:

- Support those which the community hold dear.
- Not overload families with fundraising requests.
- Spread the events throughout the year.
- Choose events that the children will enjoy.

Forthcoming events:

1. **Tombola items** (w/c 20th November – for the Christmas Fair on 1<sup>st</sup> December).
2. **Christmas Jumper day** (15<sup>th</sup> December). Children can wear their own jumper for £1. Funds to go towards new books for the school library.

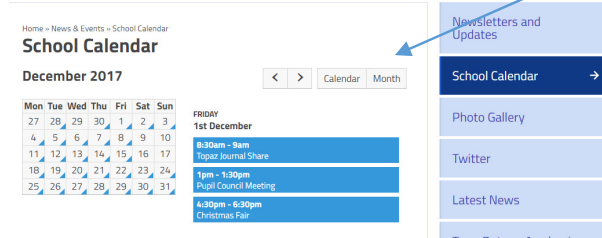

**School Netball Team**

A photograph of the netball team at a tournament this Wednesday. Amazing attitude from all children, great emerald and ruby powers!

Mrs Brooks is very proud of the way the team represented the school. Congratulations to you all!

## Using the online calendar on the website

There are two different views with the calendar. The most helpful view we find is the 'month' one as you can see events clearly, without having to click on each one.
