

Amethyst Class Newsletter

Our new project for the summer term is Why do changes happen? The overview for this is now on the website in our class page if you would like to know more.

We launched the project on Monday with a wow day, where the children made paper boats which they raced and tested. They also designed shields to go around the Viking Ship in the classroom!

We have started our class book – Floodlands and all seem very engaged in this dystopian drama so far!

Upcoming Dates....

Monday 22nd April 3.40pm – Morfa Bay Parent meeting (I will talk to the children in school)

Monday 13th – Thursday 16th May – KS2 SATs meeting

Coming up Next Week
Learning focused

Maths-Continue with Co-Ordinates
English – Writing setting descriptions.
Science- Start evolution topic
History – Where did the Vikings come from? Why did they invade Britain?

Way to support at home (home learning)

Home learning project for Term 5 (due week 2 Term 6)
Choose a mini project on an aspect of Anglo – Saxon life, choose from the following:
Anglo-Saxon art, culture, Kingdoms, place names or village life.
Present your project how you like, we will share in class at the start of term 6.
Continue with the SATs busters, TTRS and lots of reading.

Hope everyone has a lovely weekend and fingers crossed for a dry one!
