## Our learning this week....

### Panto

We have been putting our final touches to the panto and are doing our first performance to the school on Friday afternoon. The children have designed programmes ready for when they show their families on Monday night.

The performance starts at 6pm and is in two halves (approx. 40 minutes each) and there will be a short interval when ice-creams will be served (50p each).

### Sports

The children have been planning their sports activity with their peer group partner ready for Monday.

The classroom looks so colourful this week!

## Next Week...

### Monday

Whole School Sports Medley- Organised and run by Amethyst class.

6pm-Pirates of the Curry Bean play.

### History

Finish Sharing Viking projects with the class.

### Leaver's Books

The children might like to bring in a small notebook from Monday next week-so they can collect comments from teachers and friends.

### Final Friday

Children are allowed to sign their shirts on the last day (Please send your child in an old one!).

I would like to allow the children to bring in cameras (or small devices that take photos) so they can take photos of their friends in Amethyst class. They **must be** handed in at the start of the day and I will supervise a photo session in the afternoon. These photos are for personal use **NOT** for social media.
