

# Amethyst Class Newsletter

## Our learning this week....

**Harvest-** The Harvest Festival was fantastic this week and Amethyst class confidently performed poems they had written and sang a song about creation.

**Science-** We constructed parallel circuits this week and compared with the previous week's series circuits.

**English-** The stories are coming along nicely and we have been sharing them with a critical friend.

**Maths-** This week we have applied our Maths skills to real life problems and spent all of Tuesday afternoon working on an investigation.

## Celebrations..

Well done to the eight children who showed round new parents on Tuesday, you were amazing and made us all very proud: Harry, Jasper, George, Josh.W, Rebecca, Felicity, Emily and Emma.

## Next week....

English- Finish our narrative and start writing our persuasive leaflets

Maths- Multiplication and division

Project- Get into political parties and start to plan campaign.

Friday-MP to visit the class!

## Reminders.....

Don't forget to go over your times tables for practising next week.
