

# Amethyst Class Newsletter

## Our learning this week....

### What Makes Us Richer?

#### Maths

This week we have been comparing fractions of different denominators and ordering a set of mixed fractions.

#### English

The stories are mostly finished and we are now assessing against our WAGOLL (success criteria) and editing/redrafting.

#### House of Commons

I was very excited to receive a large envelope addressed to me hallmarked 'House of Commons'. I opened it with the children and they were delighted to find they all had a letter (printed on House of Commons letterhead!) addressed to them individually. The letter was from Luke Hall stating what he has done about the issues they raised and the suggestions they made.

#### D/T Christmas Enterprise Project

All the resources the children ordered have arrived and all the 'companies' have made a prototype of their products ready for production next week. They will be selling their products on Friday and each group is hoping to make a profit from their sales. Please support our stall at the school fair!

#### Clifton Cathedral

Our visit to Clifton Cathedral is tomorrow where we will join 25 other South Gloucestershire schools to sing carols and take part in a special service.

## Next week....

### What Makes Us Richer?

#### Enterprise

Production of the Christmas crafts to sell at the fair.

#### Maths

Adding and subtracting fractions with different denominators.

#### English

Editing stories and explanation writing.

#### Christmas Carol Concert

We will hopefully make a few visits to the church next week to rehearse our Carol Concert.

Reminders..... School Christmas Fair 4:30 pm until 6:30pm
