## Our learning this week....

### What Makes Us Richer?

### Friendship and Our Health

**Anti-Bullying Week/Life Bus-** We have been looking at diversity in our class and celebrating the fact that we are all individual and no two pupils have the same characteristics! The children developed their statistics skills in **Maths** by creating pie charts, Venn diagrams, Carroll diagrams and even scatter graphs to show our findings.

We went in the Life Bus on Monday afternoon where we learnt about the impact of drugs on our bodies (this meets the **Science/PHSE** objectives) and have produced a media presentation on the computers to show our learning.

In **English** we did role play around different friendship issues and talked about the differences between being, rude, mean and bullying. We have been reading 'Cloud Busting' by Malorie Blackman, which is a story about friendship told through poems. We have written our own poems from the victim's perspective about bullying.

## Next week....

### What Makes Us Richer?

### Self –Belief and Aspirations.

We have two workshops on developing our self-belief and having a growth mindset, which should be very inspiring for the children.

Thank you to the parents who have offered to come in and talk to us about their careers.

'Big Me' dress up day – Thursday 10<sup>th</sup> November - come dressed as people we would like to be e.g. vet
