

# Amethyst Class Newsletter

## Our learning this week....

### Survive or Thrive?

#### Maths

We have moved on to properties of quadrilaterals and other polygons. Some children have been investigating parallel, perpendicular and right angles in these shapes and comparing.

#### History

The children have set their own enquiry question to do with life in the second world war and have been making notes from a variety of sources. They have begun collating information together to write a non-chronological report on their chosen topic.

#### English

Inspired by our class book- 'Machine Gunners', the children have been writing diary entries as though they were a child in the Blitz. The use of figurative language and emotive language has made a lot of the writing seem very 'real'.

**Reminders:** Parent's SATs Meeting next Monday 23<sup>rd</sup> January 9:15 am. I will send a pack of information for those parents who are unable to make the meeting.

## Next week....

#### Maths-

Internal angles of different polygons e.g. triangles and quadrilaterals.

**English-** Letter writing. Writing letters and reviewing learning from Life Skills.

**History-** The children will continue researching a theme of their choice from Life on the Home Front.

**Art-** Continue with propaganda posters and understand their meanings and messages.
