

Amethyst Class Newsletter

Our learning this week....

Why Do People leave Their Homelands?

R.E/History

Children have been studying Vikings and thinking about why they invaded and settled in other countries. In comparison to these historic travellers we have been thinking about modern day:

Mrs Compton (ex-Alexander Hosea Teacher) was in Amethyst class on Wednesday and she talked to the children about refugees and why they have been driven to leave their homes and travel across Europe to find a new place to stay. Mrs Compton has been working in France in the refugee camps and spoke to the children about her first hand experiences.

Art

The children have been using different media to re-create sections of the famous 'sea-scapes' we've studied.

Drama/Pantomime- The panto is coming along well and I think we will be ready to go without scripts next week!

P.E

Sports day was a great success and there was a lovely team spirit amongst the class. We have also been developing our fielding and batting skills with games of rounders.

Next Week...

Monday and Tuesday

Please send in your costumes/props in a named bag.

Thursday

Quarry Trip-hopefully you have received the information about this trip-don't forget home clothes and wellies. Also a packed lunch is needed on this day.

History

Viking research will continue.

Art

The children will start to create large sea-scape scenery for our pantomime.

Maths

Calculator problem solving-getting used to using equipment used at KS3.
