

Next Week...

English:

Redrafting and finishing their myths ready for assessment.

Sex and Relationship education:

The children will be watching the sex education videos: How Babies Are Made and How Babies Are Born.

We will be talking about changes as they enter the pre-teen and teenage years.

Morfa Bay:

Mrs Shrewsbury will not be attending Morfa Bay camp as she has not fully recovered yet from her operation on her shoulder (back in February), so it doesn't seem wise to be abseiling and crawling through a cave!

Mrs Gee will be taking her place and will also be in charge of medicines and first aid on camp. Please could you give any medicines and discuss any medical concerns with her.
