

Amethyst Class Newsletter

Our learning this week....

Survive or Thrive?

The children were excited by their new learning environment when they returned to school today. They were desperate to carry out their learning in the Anderson shelter and the 1940s lounge was popular!

Hopefully this will inspire them to continue to learn and achieve well this term.

Reminder

The children will be dressing up in 1940s costume for our topic launch on the 9th January. The children need an empty cereal packet for Monday please. Any artefacts or photographs greatly appreciated for our classroom environment.

Next week....

Numeracy- we will be comparing and calculating with %, decimals and fractions.

English- We are reading 'Machine Gunners' and our writing will be inspired by the characters in this story.

History- We will be drawing timelines that reflect decades and specific events to WW2. The children will start researching a theme from Life on the Home Front.

Art- Study propaganda posters and understand their meanings and messages.
