

Maths

Mathletics

Practise your times tables.

Create a times table game involving the times tables you need to learn this year (2s, 5s, 10s, 3s, 4s and 8s).

Home Learning Grid 2

Crystal Class

Term 2 – home learning due on 30th November 2017

What is your Golden ticket worth?

English

Can you create your own Magpie poster?

Find 10 different challenging words and write a definition of what it means. You could even use it in a sentence to show how to use the word.

I would love to have these on our class display.

Science and Technology

Can you pick an animal and sketch its skeletons and label the different bones – we could then compare them in class to compare different skeletons.

The Arts
Art & Music

As we are studying Quentin Blake, it would be interesting to research and present his life and what he has achieved through his life. This may include the different characters he has created or other achievements in his career.

The World
RE, PHSE, PE and French

As we have recently had Divali, can you present your knowledge or Divali and what the festival is about. This may be about how they celebrate, what the festival means or even retell the story of Rama and Sita. How you present it is up to you.

Tell your teacher about the home learning you have been doing.

-  **Ruby** – being aware of others and how what you do or say, might make them feel
-  **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!
-  **Sapphire** – keeping focused and staying in control of the monster distractions
-  **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?
