14<sup>th</sup> July 2017

## **Things to note:**

We are having our teddy bear sale on Monday 17<sup>th</sup> July 2017. The children will be showing how to play adapted PE games for children with disabilities and the teddy bear sale will be after the PE show. If your child wishes to buy their teddy early, they are able to bring in their money earlier and then collect their teddy from the stall that afternoon. If you have any further questions about this, please do not hesitate to contact me.

## **What we have been learning:**

English: We have developed our editing skills further and have been using learning buddies to critique and review our writing. The children have learnt how to further extend their conscientiousness towards their writing.

Maths: We have been recapping our scale reading and measurements.

Project 6: Sewing our teddies.

We are well on the way of sewing our teddies. The children have been developing their sewing skills and the bears are beginning to look really good. We are all very excited about sewing!
