

Crystal Class News

9th December 2016

Things to note:

- All PE kits, water bottles and lunch boxes are to be taken home for Christmas.
- Please can we ensure we have trainers in school for when we have PE out on the field?
- **Thursday 3.00pm, we are planning our museum tour. Please feel free to come in and look around from the playground. I'm sure your children will be more than happy to give you a tour.**

What we have been learning:

As you have no doubt seen, we have performed our fantastic Christmas play to all of you wonderful parents. I couldn't have been prouder of all the children's efforts – they were amazing! I would also like to say a huge 'thank you' for all the effort you have given in creating their costumes, which all contributed towards a fantastic show.

Amongst the Christmas performances, we have also been making our Christmas decorations to be sold on Friday evening, on our Christmas stall. The children have tried really hard with these and I know they are looking forward to you seeing them all.

Next Week: Our Museum, multiplication and Christmas poetry.
