

# Diamond Class Newsletter

09.09.16

Welcome back to school everyone ☺

Over the summer we have worked hard in creating engaging environments for the children and Diamond Classroom has been transformed into a city apartment. Our theme is "Are we nearly there yet?" which focuses on the geographical and historical aspects of city living.

All the children are settling well and have spent the week participating in lots of collaborative tasks.

We even managed to cheer on the Tour of Britain cyclists.

Reminders:

- Please come to meet me and Mrs McAleese on Monday after school where you will find out useful information to help you support your child's learning this year.
- Children are to bring their bikes or scooters and helmets to school for our "Wheelie Event" next Wednesday.
