

Diamond Class Newsletter

30.09.16

This week :

On Tuesday we celebrated harvest at the church. The church provided a beautiful setting for our festival and the sound of children singing added to the wonderful atmosphere. Thank you to all the parents who helped us to walk the children up to the church and thank you also for helping your child practise the words of our French song –I have heard that some of you spent lots of time viewing the song on YouTube last weekend!

If you would like to see your child perform there will be opportunity for this at The Macmillan Coffee Morning on Friday. We look forward to seeing you there.

The Open Afternoon was very successful and Diamond Class could be seen learning art with Mrs Gee and football skills with our sports coach, Mr England.

Next week :

- In spelling we will be looking at words which have prefixes. We are slightly behind with spellings this week (due to Monday), so your children will be tested on the target words next Monday to give them some extra practice time.
- In maths we will be focussing on calculation methods.

Reminders :

Our school trip is on Friday, thank you to all who have volunteered for this and we will confirm offers of help at the beginning of the week. There is a possibility that we may have a larger coach and be able to take everyone but the coach company can only confirm this on Tuesday – a little late I know. Please bear with us.
