

Diamond Class Newsletter 09.06.17

This week : We are continuing to explore the many themes throughout our class text “ Wolves in the Walls” .We have been dramatizing aspects of the story which then enabled us to write from a different perspective . We are enjoying this book hugely as it allows us to think imaginatively around the story. We linked our grammar learning into our narrative writing and your children may well have discussed modifiers with you at home this week, if not it may be interesting for you to ask them about it.

Good news!

Our strawberry plants have survived over half term and are now beginning to bear some fruit – we are very excited but we have noticed that the crows are also taking an interest in them too!

Mrs Sprosen is beginning to teach Street Dance to the children and they have been striking poses with attitude.

Reminders:

At the end of the day please can you come nearer to the classroom for the handover of your children? This is very helpful especially on a day when I am not in class to do so –Tuesday afternoons and Friday .The PE coach /Mrs Gee /Mrs Sprosen rely on you identifying yourselves as they are not always as familiar at recognising you as I am - thank you.

Mrs Moncrieff
