

Emerald Class Newsletter

6.10.2017 – Term 1

What have we been learning?

This week the children have been looking into good and evil characters in different stories and looked into the differences of the coast and mainland. They have now painted their own pictures of the coast on the laptop programme 2paint.

The children have been brilliant at using language like more, less, fewer, greater and equal to compare numbers. They have now been introduced to the symbols and we used the idea of the shark only eating the highest numbers to know which way it should be facing.

Friday afternoon we have now looked into the features of a reptile and the differences they have compared to an amphibian.

NOTE: It would be great if the children could have wellies in school as I would like to carry out learning in the woods.

Next Week

We start our travels on the submarine as we begin to explore the UK. In maths the children will be continuing learning on addition.

Dates for you Diary

Learning Journal share – Tuesday 10th October and Thursday 12th October 2:45-3:15

Please be prompt leaving at 3:15 so I can settle the children for the end of the day. Looking forward to seeing you.

Tom Robson – 1st November
