## 6.07.2017 – Term 6

### What have we been learning?

The beginning of this week the children learnt circus skills, including juggling with scarves and plate spinning. Many of the children were excellent at balancing a feather on different parts of their bodies. PLEASE GET YOUR TICKETS FOR HAPPY'S CIRCUS on 20<sup>th</sup> JULY.

Update on the photo frames - The children have used a sanding block to create a smooth surface and get rid of any sharp edges on their photo frames.

The children had a brilliant time at the Bristol Museum supporting their learning on fossils, dinosaurs, and Mary Anning. Photos will be on next week's newsletter.
