

# Emerald Class Newsletter

## 05.05.2017 – Term 5

### What have we been learning?

This week the children have learnt all about the royal family tree and Kate and William's wedding. A letter has been sent home about the children creating their own family tree to share on Monday.

We have been authors this week, using our imagination to write part of a story called 'Willy went to the wedding'. There were a lot of problems at the wedding!

Also we have continued to learn about fractions and shapes. They had great fun on a shape hunt looking for the different properties of 2D shapes.

Thursday we had a fantastic morning learning different sports skills at KLB; the children really enjoyed the whole event! Thank you to all the parent helpers who came along and those who volunteered, we appreciate the help.

### Next Week

Emerald class will be learning all about Mary Anning, the girl who found the fossils! We will be playing the part of artists starting collages and continuing on to 3D shapes.

### Dates for you Diary

Friday 19<sup>th</sup> May – the children will be involved in a skipping event. Ropes can be ordered for purchase. For more information, please see the letter sent home this week.
