

# Emerald Class Newsletter

## 26.05.2017 – Term 5

### What have we been learning?

This week the children have been accurately weighing in grams and kilograms. The children have completed their collage artwork of brachiosaurus bones which are up on display in the corridor of the school.

The children have also explored maps and how to create a key using symbols to help read a map. To go with our non-fiction writing the children have redrafted their drawings of the brachiosaurus.

The children had a brilliant time taking part in the 'Fun Run' thank you for all those involved with organising!

Phonic activities are coming home over half term which would be great if practised, as the phonics screening is coming up soon after the break.

### Next Week

Enjoy the holidays!!

### Dates for you Diary

Emerald Talent Show – 14<sup>th</sup> July at 9:30 – invitations will be coming home from the children!
