

# Emerald Class Newsletter

## 30.09.2016 – Term 1

### What have we been learning?

This week the children have written post cards to Paddington Bear and some of the children wrote and performed some of their play this week travelling to places like London and Brazil, taking on the roles of different characters.

They also enjoyed walking to the church to perform their song at the harvest festival and especially loved singing to you all at the MacMillan coffee morning. We hope you did too!

The children have developed their skills in throwing and catching during their PE session with Mr Simmons and look forward to applying them in games next time.

### Next Week

Spellings Thursday and reading common exception words will start on Tuesdays.

We will be exploring addition and subtraction further next week to find out what is in Paddington's suitcase. If you have anything at home that you think would be useful for counting and wouldn't mind donating to the classroom then please do!

We are hoping to start our jam investigation next week!

### Dates for your diary

Monday 10<sup>th</sup> October – Sharing learning journals. Time TBC.

Friday 14<sup>th</sup> October – Sharing learning journals. Time TBC.
