

# Emerald Class Newsletter

16.09.2016 – Term 1

## What have we been learning?

It has been another great week in Emerald class. We had a fantastic time at our tea party on Tuesday trying new things and had an exciting post card from Paddington Bear. Have they told you all about it?

We had fun on our scooters and bikes developing our physical development. Also Emerald class are starting an art project in the style of Piet Montrian which will continue through next week.

Thank you for those that attended 'meet the teacher'. If you are able to help us out during mornings or afternoons then please let Miss Tyler or Mrs Barry know.

## Next Week

Emerald artists will be continuing our art project in the style of Piet Montrian.

We will be creating post cards to send back to Paddington and starting to look into the gas explosion that happened in Wickwar.

It is great to see children are practising our Harvest Samba song ready for the festival.

## Dates for your diary

**The Rio Summer Fair is on Saturday 17<sup>th</sup> September at school.**

**The Harvest festival will be on the 27<sup>th</sup> September. The children will be going to the church for this. More details to follow.**
