## 24.04.2017 – Term 5

### What have we been learning?

On Monday we started the term with a bang as the children celebrated all their talents on the red carpet. We printed our hands on gold stars to show our individuality and practised our skills in the hall whether it was singing, magic, dancing, drawing... Finally we started planning ideas for our final project which is a talent show and we gathered ideas from Britain's Got Talent auditions!

We have also written autobiographies celebrating the history of our lives and in maths we have continued with fractions focusing on quarters. The children have painted art in the style of Linda Krantz and listened to different genres of music.

### Next Week

We will be learning about the wedding of Kate and William around the time the children were born. In maths we will continue with fractions and investigating 2D and 3D shapes.

### Dates for you Diary

Multi skills morning for KS1 Thursday 4<sup>th</sup> May - Thank you to everyone who has volunteered to help!
