

# Emerald Class Newsletter

## 23.09.2016 – Term 1

### What have we been learning?

This week we received a letter from Paddington asking for our help to recommend a material to use to fix his suitcase so we have been investigating properties. We also went on a tour of London visiting the main attractions including Buckingham Palace with a visit from the Queen. We have just started to write our own postcards to Paddington, which we will continue next week.

In PE we explored different ways to travel around the hall focusing on moving at different levels in all directions.

As part of our Achievement Assembly on Monday we present two Teachers Awards, this week they went to Lacey and Rowan.

### Next Week

We will continue to write our postcards and use our IT skills to get a picture for the front cover.

Emerald will also be looking into the history of the gas explosion in Wickwar.

Home learning has been put into book bags this week which could be in their home learning or spelling books.

### Dates for your diary
