What have we been learning?

We had a fantastic time at Berkeley Castle on Monday. The children were very well behaved and a credit to the school. We had a great day, which started with a tour of the castle, this was followed by a dragon trail through the garden. We then had a lovely time in the butterfly house with a number of butterflies landing on us. We loved trying on the clothes and being Kings and Queens. We finished our day by putting into place all of the sketching skills we have learnt this year and chose to sketch either the castle or the cannons.

More photos will be added to the website for you to view.

We all did really well in Sports Day this week. We showed great team spirit and support and all tried very hard in all of our races.

Next Week

We will be starting our last 2 project outcomes. We will be creating a PowerPoint "How has it changed?" about how the fashions of the queens and kings have changed and will document this through pictures and text.

We will also be starting our mini project "Will the Queen like it?" - we will be making a panel for a quilt fit for a queen!

In maths, we will be looking at 2 step addition and subtraction problems linked to Cinderella.

We will also be sharing and using our last book of this topic "Trust me, Cinderella Rocks!"

Other News

We still need parents to come and help with the sewing on the following dates 3rd July, 4th July and am on 5th July.

Please let staff know if you can help.

Lots of children have a lot of unfinished books in their bug club libraries. Please ensure that you give your children the opportunities to read and finish all the activities linked to these books before the end of term.

Don't forget, it is our topic outcome on Wednesday 12th July at 10am.
