Jet Class Newsletter

15.07.2017

What have we been learning?

Thank you to everyone who came to our family banquet on Wednesday. We hope that you were impressed with all of the children's learning and enjoyed their telling of the amazing stories that they have written. As well as looking at our fantastic patchwork quilt- the children would like to us to send a photo of it to the queen to see if she actually likes it, as it was produced as part of our mini outcome ' Will the queen like it?', so we will see if we get a reply!

Next Week

On Monday, we will be taking part in a whole school sports morning, which is being organised by Year 6, as part of our Year of PE and in support of our school games gold award.

On Tuesday it is move up morning, so the children will be spending some time in their new class with Mrs Arrowsmith.

Other News

Please do give your children the chance to finish and read unfinished books on Bug Club before the end of term.

Next week, please could your child bring in a carrier bag, so that they can bring home their exercise books from Year 1. Please note that we will be keeping all their exercise books from this year in school until next summer.
