04.11.2016 – Term 2

Aspiration Week

Next week is Aspiration week, if you would like to come into class and talk to the children about your job and answer any questions, please let us know which day and time would be best!

What have we been learning?

What an excellent first week back to Term 2, we kick started it off with a visit to the Lifebus, where we got to learn about all of the different ways we could look after our bodies, including thinking about medicine safety. The children gave some thoughtful suggestions and contributions on the bus.

In class, we continued to support anti-bullying week, by looking at a range of scenarios- and thinking about how we could help; the ideas the children suggested show how kind they are as friends.

We talked about diversity, and how we are all different. We created block diagrams to show the differences in Jet class.

Our Moon buggies are now finished and look fantastic- thank you to the parents who came to help with the decoration of them.

Next Week

Next week, in Jet class, we will be writing our character descriptions of Bob the astronaut. We will be thinking about his appearance, personality, likes and dislikes.

In Maths, we will be solving missing number problems by adding with multiples of 10.

We will be building on our clay skills from Term 1, to create our astronauts to use in our animations.

Finally, we will be finishing our space dances ready to film them next week.

Other News

We will be sending home the words to the songs for our Christmas play next week; the children will be practising them in school, but it would be great if they could continue this at home.

In the next few weeks, we will be looking at addition with money, maybe you could recap the names of the coins with your child.

A date for your diary - on Wednesday 14th December at 9:30 am please come and join us for coffee and cake to watch our short space animations and space dances.

Remember to use easyfundraising.org.uk when shopping on line to help raise funds for the school.

Have a great weekend!
