

Jet Class Newsletter

7.12.16 – Term 2

What have we been learning?

Jet class have been consolidating their understanding of column addition through mathematical challenges.

We have loved performing our 'Out of this World' Christmas play for you and we hope you enjoyed it. We are all very proud of ourselves.

We have been busy creating products to sell at the Christmas fair and are very excited for you all to buy them!

What's happening next week?

Next week we will be word processing our Bob on the Moon stories in ICT and developing our understanding of estimation.

We are having a multi skills competition against Emerald class next Tuesday. All the children will need warm clothes and trainers as they will be outside.

Common exception words will now be tested on a Thursday, please continue to practice these at home.

Reminders

Christmas fair – Friday 9th December 2016 from 4.30-6.30. We will be selling candle table decorations for £5 and handmade snowflake coasters for 50p. If you are unable to come to the fair and would like your child's creations, please let us know and we will reserve them for you.

If anyone has any photos from the Christmas play we could have, please could you email them to us. We can then select some that we have website permission for.

Next Wednesday – Jet class coffee morning @ 9.30 in the school hall. An exciting chance for you all to watch the children's Bob on the moon' animations and space dances, to look at their moon buggies, read their Space stories and share learning journals. We hope you can all make it.
