What have we been learning?

We had a great surprise when we walked into the classroom on Tuesday and saw that Tiddalick had coughed up all of the words from his story- they were all in the water.

We were set the challenge to re-write the story using the words. Both Miss Pursey and Mrs Cleverley have been amazed by the quality of our writing. In fact, our stories could be published!

We had a great time at the dodgeball event, we were the winning class out of Key Stage 1- we all developed our dodging and attacking skills and showed great team spirit. Well done and thank you for all the money which has been raised.

Next Week

Next week, we are moving onto our next continent, we are off to visit Asia.

We will be finding out all about the religion of Islam, and what Muslims believe.

In maths, we will be carrying on with division and also looking at capacity.

Other News

We are now using the learnpads in school during our guided reading sessions.

We will also be creating a vegetable stir fry, we will be working on safe food handling as well as developing our chopping and cutting skills.

We will be learning to write instructions using commands to help other people to be able to make one.

Due to the length of the books and the discussions we have during guided reading, we don't normally get through the whole book. Please do not allow your child to finish reading these books at home before our next sessions.

You will know which books we are reading in Guided Reading as they are always recorded and highlighted in your child's home learning book. Thank you for your support with this.

We are still looking for helpers next week for both sewing and cooking, please either email or let Miss Pursey or Mrs Cleverley know if you are able to help and which day would be best.

We are also desperately in need of parent helpers at the end of the week on a Thursday or Friday. If you are able to give a few hours a week, to come and help change the books and hear the children read, we would be extremely grateful. Please do let us know.

Many Thanks.
