

## Jet Class Newsletter

**16.12.2016 – Term 2**

### What have we been learning?

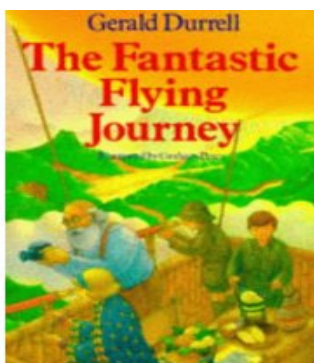

A lovely last week of the term! We have had a fantastic time in our infant's sports afternoon against Emerald class. We all showed great team spirit and sportsmanship.

Thank you to all the parents, that came and supported the Christmas fair- we hope that the candle decorations look lovely in your homes.

We really enjoyed having you in school on Wednesday to watch our Man on the Moon animations and space dances. We are hoping that we will be able to add the animations onto the website for those parents who weren't able to make the showing.

### Next Term

Our theme next term is 'what can you see down below us'? This theme will have a geography base and will be exploring the 7 continents of the world along with Great Uncle Lancelot in his balloon.

On the first week back we will be sharing our home learning on New Year celebrations. We will also be launching our new theme with the help of some balloons.

### Other News:

Please look in the yellow home- school book, for some activities to be completed over the break. These will all support the children with their learning as we start Term 3.

Thank you for all your support since September and we both wish you and your families a Merry Christmas and a Happy New Year.

Miss Pursey and Mrs Cleverley
