Dear Parents/Carers,

As part of our whole school Year of Computing, we are reviewing the way you receive weekly information about what is happening in your child's class. Currently, each class teacher produces a weekly newsletter which is published on the website.

Please could you answer the following questions and return your completed slip to school by Wednesday 27<sup>th</sup> September 2017.

Additionally, as part of our Year of Computing, we are looking for any parents, carers, or any other relatives that work in the Computing field (computer science, information technology, film industry etc.) to speak to the children about their job and the career opportunities they may have. If you feel you could offer support in any way with our Year of Computing please contact me at

[Kimberley.edgar@sgmailorg.uk](mailto:Kimberley.edgar@sgmailorg.uk).

Yours sincerely,

Miss Edgar

Computing subject leader
