

# Ready, Steady, Go!

## January 2017

### Term 2 Awards

Best Team Players.

Most Improved in Multi- skills (KS1) Tag Rugby (KS2)

Pearl- The Best Sporting Class!

### Year 5/6 Tag Rugby Competition – 10<sup>th</sup> January 2017

The following children, Noah, Jasper, Tommy, Oliver, Freddy, George, Scarlet and Charlotte took part in a Tag- Rugby competition.

All of the children showed great team spirit and tactics which got us into the final, where we lost 8-6, in a very tight matched game.

Thank you to Mrs Shrewsbury, who went with the children to this event.

### Ballet- Friday 20<sup>th</sup> January 2017

On Friday, 48 of us, had a wonderful time, when we went to the Bristol Hippodrome to watch 'The Nutcracker'.

It was an excellent performance; both the adults and children were mesmerised whilst watching.

What's happening in February...

During the week beginning Monday 6<sup>th</sup> February, we will be having our next inter-year group competitions.

Key stage 2 will be putting their newly learnt hockey skills into action.

Key stage 1 will be playing a variety of games to show their developing multi skills.

[Wheelchair Basketball- Monday 20<sup>th</sup> February](#)

A visit from Kevin Ogbourne. Kevin was born with spina bifida. When he was a child, he found things difficult, but he tried his best to join in everything, even though he found sport quite difficult as it caused him lots of pain. Kevin decided that even though he was in a wheelchair, he still wanted to be involved in sport and joined a wheelchair basketball club. He learned how to play himself and competed at a high level. Now, he coaches both able and disabled people to play wheelchair basketball, proving that he can do anything that anyone can do! An inspiring lesson for all our children to learn.

Kevin will be teaching children how to play wheelchair basketball. All children will have a chance to play the game in wheelchairs created especially for playing sports. They will also have the opportunity to ask Kevin questions about his life and his sport.

[British Heart Foundation Dodgeball Event](#)

Miss Pursey

PE Leader

Look out for a letter and a sponsorship form coming soon.....

All children will have the opportunity on Monday 27<sup>th</sup> February to take part in dodgeball to raise money for both Alexander Hosea and The British Heart Foundation.
