

Welcome to Bug Club!

Dear Parent or Carer,

Our school has recently acquired a reading programme called Bug Club that we'd like to share with you.

Below you will find key information about the scheme and how you can get involved. We hope that you and your child will love these books and enjoy reading them at home.

What is Bug Club?

Bug Club is a finely-levelled reading scheme, which ensures that all children can find books at exactly the right level for them. What's more, there are online versions for every printed title and a personalised website for each child.

Using the printed books

Inside every printed book there are notes to help you make the most of reading with your child.

Inside front cover: for younger children, these notes identify words with which children may need help and give ideas and strategies to help you feel confident that you know how best to help. For older children, the notes are intended to deepen each child's understanding of the book. They provide background information about the time or place the book was written or sometimes information about the author or illustrator.

Inside back cover: these notes suggest puzzles and challenges that help children think about their reading. These include 'Find it!' activities that encourage children to revisit the text; 'Share it!' tasks that may involve making or writing something, and other ideas that offer ideas for further reading.

Using the online reading world

If you have access to an internet connection, your child can enjoy reading **Bug Club** books online as well as in print. Each child has a unique homepage and can log into it by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details – this will be your child's school login and password.
3. You will also need the school code which is **hx73**
3. Your child's homepage will appear.

Reading a book online

We will allocate books to your child according to their reading levels. These books will appear in the 'My Stuff' area of their personal homepages.

Throughout the books there are quiz questions for your child to complete. To answer a question, just click on the bug icon – we call it a hotspot. Your child does not need to finish all the quiz questions in one sitting and can come back to a book later.

When your child has finished all the quiz questions in a book, he or she will earn 'ActiveLearn Coins'. By reading more books, your child will earn enough coins to 'buy' a reward in one of the many reward schemes. The answers to the quiz questions will be sent back to our teacher site so that we can see how your child is progressing.

When your child has finished a book, it will move to 'My Library'. Children can read these books again if they want to, or they can choose new books from 'My Stuff'.

Getting involved

The reader

Until they are fluent readers, younger children will benefit from reading aloud to you as often as possible. Once the children become more independent they may prefer to read silently to themselves. Create quiet opportunities for them to do so, but then talk to them about the book they are reading.

Sharing reading

When sharing a book with your child, try to take opportunities to talk about the book - before, during and after reading.

Before reading: look at the book cover and talk about your child's expectations. Is the book likely to be fiction or non-fiction? Have you read other books together about these characters or by this author? What does your child think the book is going to be about?

While reading: support your child when unknown words need tackling: you can sound them out, split them into syllables, or identify suffixes and prefixes. Remind your child to listen to the words while reading them, to make sure that they make sense. Have a 'meaning check' every now and again to ensure that your child understands the text.

After reading: talk about the book. What was it about? Did it match your child's expectations? Ask questions beginning with the words *how* and *why* to check that your child has been able to read between the lines. Ask whether anything seemed puzzling. Then ask your child to explain what the best and worst bits of the book were, and why.

Need help?

If your child is having trouble using the pupil world, help can be found in the Help Section of ActiveLearn Primary (in the top right-hand corner of the website).

Please note: We strongly recommend using Google Chrome or Mozilla Firefox web browsers with ActiveLearn. If you prefer to use Internet Explorer, please check you have at least IE9 in order for everything to work as it should.

We have also added an information sheet should you experience issues with pop up etc on the school's website – see news and events/ newsletters and updates.

Meet the teacher

In order to give you more information about how this new scheme will work alongside all our current practices, you are invited to come and meet with your child's class teacher where such information will be shared with you. Some classes have combined this with other scheduled dates.

We are very excited about our new scheme but we realise that a main part of its success is communicating and working with you. So please come along as I'm sure you will find it helpful in supporting your child's reading progress.

Topaz	Friday 13 th Jan 9 – 9.30 am
Emerald	Combined with year 1 phonics meeting 9 am 12 .01.17
Jet	Combined with year 2 Sats meeting 9.15 am 27.01.17
Crystal	Thursday 19 th Jan 9 am
Diamond	Tuesday 17 th Jan 9.15 am
Pearl	Monday 16 th Jan 9:15 am
Amethyst	Combined with year 6 Sats meeting 9.15 am 23.01.17

Kind regards,

Mrs Moncrieff

Deputy Headteacher
