8th July 2016

RIO 2016 - LAUNCH OF OUR YEAR OF SPORT 2016-17

Dear Parents / Carers

This year we had a 'Year of Science' – next academic year will be our 'Year of Sport'. We are using the Olympics as an opportunity to launch this before the end of term, in readiness for September.

Progressive Sports, who already run sports sessions for the children in Key Stage 2 on teacher's PPA afternoons, are very kindly running our Olympics celebration all day on Wednesday 20th July. Each class will have timetabled activities to learn an Olympic sport.

These include:-

Volleyball
Archery
Tag Rugby

The activities will open with a Brazilian themed dance for everyone and finish with some short races to symbolise the biggest event in the Olympics, the 100m sprint. All this will be taking place alongside the rhythm of samba music to make the day even more memorable!

Your child needs to wear sports kit to school instead of school uniform to celebrate the Olympics and so they are prepared for their activity.

At the end of the day, the whole school will assemble on the field (weather permitting) to close the day. All parents are invited to join us at 3.15pm, get involved and have a great time alongside the children. The celebration will finish at 3.30pm.

We look forward to seeing you there!

Please look out for news of our sporting events next year too.

Yours sincerely

Ms Quest
