

Pearl Class Newsletter

18.11.16

This week we have begun practising singing for our Christmas performance. All children have got copies of the words to keep practising at home.

In English, we have started to learn about different figurative devices: similes, metaphors and personification, ready to write poetry over the next couple of weeks.

In Maths, we have been multiplying and dividing decimal numbers by 10, 100 and 1000.

We have also begun looking at 'The Great Wave off Kanagawa' artwork ready to develop many different art skills to recreate our own whole class version.

Celebrations

This week's teacher's award went to Lucy Blanchard for 'stepping off the edge' during Aspirations week.

Most housepoints award went to Lily Stevens.

Over the next few weeks, we will be focusing on the arts: writing creative poetry, producing artwork and composing music related to our watery theme.

Reminders:

Children to read at least five times a week and be heard read aloud at least once.

Continue to practise times tables – we are making fantastic progress!

Learn spellings and complete Mathletics homework.
