16.06.17

We had the most wonderful start to the week with our trip to the Warner Brothers Studios: Harry Potter tour. There was so much to see and explore; it was difficult to know where to look first!

Once we arrived at the studios, we were given passports to complete whilst we walked around exploring the many fantastic sets, props and costumes from the films. Within in each section, we had the opportunity to look at parts of the actual sets used in the films and find out about how different creatures and magical scenes were brought to life.

The final part of the tour involved looking at the original drawings and cardboard models used when planning the films. We will be using this to support our Computing learning.

Reminders:

Please practise spellings, times tables and to read at least 5 times a week.

Home learning share: Tuesday 20th June at 3pm.

Advanced date warning: our end of project presentation of learning will be on Wednesday 12th July. More details to follow.
