

Pearl Class Newsletter

19.05.17

This week, in English, we have been continuing to write our own Hogwarts stories. We have been very motivated and have, so far, produced some brilliant stories, applying our grammar skills and creativity well.

In Maths, we have been challenging our understanding of 2D shape and drawing angles by learning to draw regular 2D shapes and different triangles accurately. Next week, we will be focusing on 3D shape.

We have been learning about the Maya this week, locating Central American countries on a map and finding out how their location affects the climate. Next week, we will be preparing, cooking and tasting a selection of Mesoamerican foods. Alongside this, we have completed our Mayan style clay tiles and will display them together.

Reminders:

Home learning share: Tuesday 23rd May at 3pm

Mathletics home learning

Please continue to practise spellings, times tables and to read at least 5 times a week.

Harry Potter trip permission slips to be returned by Monday 5th June.

Advanced date warning: our end of project presentation of learning will be on Wednesday 12th July. More details to follow.
