

Pearl Class Newsletter

16.09.16

We have had a busy week in Pearl Class. In Maths, we have begun to look at place value in numbers up to 1,000,000 and in English we have been describing a river as if we have jumped into a picture. Next week, we will be continuing to expand our understanding of place value and will begin to map out a story of a journey on a river.

Following on from our fun afternoon watching the Tour of Britain pass through the village, we completed our own 'time trail' of a course set up on the field and playground. We will be using our results to do some Computing (using excel spreadsheets) and Maths.

Having fun adding and subtracting powers of 10 to 5-digit numbers!

Trying to make 'river' water clean in Science!

Our cycling time trials!

Reminders:

Home learning share: Tuesday 20th September 3pm

Mathletics home learning has been set and will be checked on Thursday.

Practise spellings and times tables.
