4.11.16

This week has been anti-bullying week and we have also had our annual visit from the Life Bus. We have been learning about how to develop our assertive skills and about the dangers of smoking. As part of anti-bullying week, we have discussed the differences between being rude, mean or bullying and have produced some brilliant role-plays to demonstrate our understanding.

Next week in English, we will be looking at explanation texts and linking this to learning about the water cycle. In Maths, we will be revising multiplying and dividing whole numbers and decimals by 10, 100 and 1000 before beginning our learning on measurement.

We are also looking forward to an exciting 'Aspirations Week', developing our growth mindset!

With Christmas fast approaching, please remember to use [easyfundraising.org.uk](http://easyfundraising.org.uk) when shopping on-line with Amazon etc. to help raise funds for the school.

## Reminders:
