

Pearl Class Newsletter

25.11.16

This week in Maths, we have been estimating and measuring the capacity of different containers and converting between millilitres, litres and pints. In English we have been exploring personification and writing our own metaphors and personification examples linked to water. We will now write our own poems using the techniques we have learnt.

Next week we will be using collage in Art and composing water music. If you have any old magazines we could use for collaging, it would be brilliant if you could send them in on Monday.

Celebrations

This week's teacher's award went to Tatiana Gillard for fantastic contributions in guiding reading.

Most housepoints award went to Alice Blanchard.

Reminders:

Children to read at least five times a week and be heard read aloud at least once.

Continue to practise times tables – we are making fantastic progress!

Learn spellings and complete Mathletics homework.
