

# Pearl Class Newsletter

20.01.17

On Tuesday, the members of our school choir attended the Young Voices concert at London's O2 arena. We spent a very long day, rehearsing and performing a vast selection of songs in a choir of 7295 children! All our children were wonderful, a credit to the school and an absolute pleasure to take.

Whilst we were busy in London, the rest of the class spent the morning with Mrs Brooks and the remaining Y6s, applying many skills to a variety of Maths problems and performing the poem Jabberwocky. Mrs Brooks remarked on how well the children learned together and what a pleasure they were to teach.

## Reminders:

Complete set Mathletics homework, practise spellings, times tables and read at least five times a week.

Homework sharing: Tuesday 24<sup>th</sup> January at 3pm

Can all children please bring in a photo of themselves when they were a baby to begin our Science topic learning about how we change as we grow older.
