

# Pearl Class Newsletter

09.06.17

This week in English we have been looking at non-chronological reports and, using the creatures found in Harry Potter, have begun to plan our own. Next week we will be applying many of our English skills to write our reports, creating interesting and informative texts.

In Maths this week we have been assessing our calculation methods and applying many areas of our Maths learning to solve problems. Next week we will be looking at translation and reflection of shapes.

In preparation for our final project outcome, we have begun to plan out our own Harry Potter inspired film trailers. To give us inspiration, we watched the trailers for all eight of the films and discussed the many strategies used.

We are all very excited about our trip on Monday. We will be looking at how the films are made, what props and sets are used and exploring the green screen techniques that will link with our own filming.

## Reminders:

Please continue to practise spellings, times tables and to read at least 5 times a week.

**Harry Potter trip – Monday 12<sup>th</sup> June. Please arrive at school for 7:45 and remember to bring a packed lunch and a couple of substantial snacks.**

Advanced date warning: our end of project presentation of learning will be on Wednesday 12<sup>th</sup> July. More details to follow.
