On Monday, we spent the morning with Year 2, helping them with their animations. We all became teachers for the session and supported Jet class using the LearnPads. It was a fantastic morning and lovely to see the children being so encouraging, demonstrating great skills and offering advice.

We have also been busy this week preparing our items for the Christmas Fair. We will be bringing together our learning in Art, English and Music to produce framed artwork, poetry bookmarks and CDs of water music. There has been a lot of creativity on display!
