

Topaz newsletter

What a busy week!

Thank you for your support at the Christmas Fair. Adding the monies raised at the play as well we have a very healthy amount of £260 to spend on resources for the classroom through the year. The children have already decided that they would like us to buy some new dressing up outfits for our next project. They have also decided that they would like an icy palace in the classroom when they return.

We really loved showing you all our nativity play and have been role playing the story in the classroom in our stable area.

Santa came to visit us and check up on Ed the elf.

We loved singing at the coffee morning! It was lovely to see so many of you again. I have been amazed by their growing confidence. It is lovely to see and will make a real difference to their learning when they come back in January.

Home learning

The children do need to have a big rest over the holidays and they need to have lots of fun!

After the excitement has died down a bit it would really benefit them to get back to looking at some sounds and learning before they come back. There are some suggested activities in the blue books.

Thank you so much for the kind notes in cards, Christmas wishes and presents. I hope you all have a wonderful Christmas and look forward to continuing with our learning journey in the New Year.

Please fill in and send back journal comment slips so that they can be included in your child's journal.
