

## Topaz News

Dear All,

We are transforming ourselves into the most amazing learners in Topaz.

### Letters and Sounds

This week our phonic games have had a focus on the letters: **n/l/i/b/m/h/r/p**

At home practise as often as you can. Sound talk (c-a-t etc.) items at home to get our ears tuned in ready for reading.

### Learning

We have enjoyed story telling as a group this week. I have made a story map for the three pigs and been telling the story together with some added songs. I have put the songs and words we have used in the red books so that you could carry on with this at home. Giving children these structures in a fun way really pays off later when it comes to writing a story. They are amazing singers too!

With story skills in mind we turned our outside shed into the three bears cottage so that we could explore story there too.

As we seem to love singing so much we thought we would join the rest of the school for singing assembly. The children were amazing and loved listening to the other children and even tried to join in.

### Open Afternoon and 2Build a Profile

Don't forget to try to come and share our learning journals on Tuesday. I look forward to meeting you at parents evening. I would appreciate any feedback from 2BuildaProfile. I have had one reply via the inbox so I think it should be working from your end.
