

Topaz News

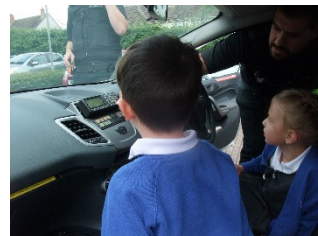

Dear All,

What an exciting week it has been in Topaz class!

Learning

We have had such fun with this book this week. There was a case of some tormented vegetables and Supertato went missing! The police were held up so we had to help them out by writing some crime reports but we only had half an hour. I was blown away by the engagement and writing of all of the children. The police arrived and helped us to solve the crime. We followed the clues which led us to the Evil Pea and we saved Supertato. After that we had a great time looking around the police car and trying out the walkie talkie. Thank you to Mr Cheeseman for coming to help save the day with his police friend; real true life super heroes! Lots of the children now want to be police officers when they grow up.

Summer show

As part of this project we plan to put on a show on 6th July. We have started to learn the songs this week. **Please can you send a pair of black leggings/joggers and a plain black top in a named bag by 30.6.2017** (top tip: If you can only find a top with a design it might work inside out!)

Sports Day

We have started to practise our races. The children will be able to wear trainers (**without laces**) if they want to. They will need their name in them and can put them into their PE bag if they want to use them.

Kind regards,

Sally Windmill
