

Opal Class News

Friday 21st March 2025

Another busy week has passed in Opal Class and we have finished on a high note, dressing in red for Comic Relief. Throughout this week, the children have thoroughly enjoyed their trip to the Mosque. This gave them the chance to apply their knowledge of the Islamic faith. There were many fantastic questions and everyone was very impressed with their knowledge – well done to all the year 5!

During this week, the children have planned and started writing their prequel to 'The Last Alchemist'. I am so proud to see how much effort the children are putting into their writing. In Maths, the children have been looking at Statistics, learning about Line Graphs. This has been a tricky concept and it has certainly 'caught us out' with some of the problem-solving.

Our DT projects

Key dates coming up:

26th – 28th March – Kilve Court

1st & 2nd April – Parents' evening (this will also be our end of project outcome)

Coming up next week
Learning focused

In Maths, we shall be problem-solving with table-reading.

In English, we will continue to write our stories before camp.

Have a fabulous time at camp!

Continue with reading 5 x a week.
Mathletics and TTRS

Way to support at home (home learning)
