

Ruby News

Dear All,

It has been a brilliant week getting to know all the children and families joining Ruby class! I would like to say a huge thank you to all for welcoming us on our home visits.

Newsletters are posted on the class page every Friday so it is a good idea to get into the habit of checking. They will have news and pictures to explain what we have been up to and how you can support at home.

Gem powers

We are keen to use gem power as a fun way to help the children understand themselves as learners and they are used through the school. We will start with building independence which fits with diamond power. You can help at home with this by supporting your child to continue to develop self-help skills in the toilet and dressing, doing up coats. We will explain more in the meeting on the 27th September @ 9:00.
